Colorado Workplace Public Health Rights Poster: PAID LEAVE, WHISTLEBLOWING, & PROTECTIVE EQUIPMENT

Updated July 14, 2023

may be updated periodically

THE HEALTHY FAMILIES & WORKPLACES ACT (“HFWA”): Paid Leave Rights

Coverage: All Colorado employers, of any size, must provide paid leave

- All employees earn 1 hour of paid leave per 30 hours worked (“accrued leave”), up to 48 hours a year.
- Employees are required to be paid their regular pay rate during leave, and the employer must continue their benefits.
- Up to 48 hours of unused accrued leave carries over for use during the next year.
- For details on specific situations (irregular hours, non-hourly pay, etc.), see Wage Protection Rule 3.5, 7 CCR 1103-7.
- Up to 80 hours of supplemental leave applies in a public health emergency (PHE), until 4 weeks after the PHE ends.*

Employees can use accrued leave for the following safety or health needs:

- (1) a mental or physical illness, injury, or health condition that prevents work, including diagnosis or preventive care;
- (2) domestic abuse, sexual assault, or criminal harassment leading to health, relocation, legal, or other services needs;
- (3) caring for a family member experiencing a condition described in category (1) or (2);
- (4) grieving, funeral/memorial attendance, or financial/legal needs after a death of a family member;
- (5) due to inclement weather, power/heat/water loss, or other unexpected occurrence, the employee needs to either (a) evacuate their residence, or (b) care for a family member whose school or place of care was closed; or
- (6) in a PHE, a public official closed the workplace, or the school or place of care of the employee's child.

Employer Policies (Notice; Documentation; Incremental Use; Privacy; and Paid Leave Records)

- **Written notice and posters.** Employers must (1) provide notice to new employees no later than other onboarding documents/policies; and (2) display updated posters, and provide updated notices to current employees, by end of year.
- **Notice for “foreseeable” leave.** Employers may adopt “reasonable procedures” in writing as to how employees should provide notice if they require “foreseeable” leave, but **cannot deny paid leave** for noncompliance with such a policy.
- **An employer can require documentation to show that accrued leave was for a qualifying reason only if leave was for four or more consecutive work days** (i.e. days when an employee would have worked, not calendar days).
- **Documentation is not required to take accrued leave**, but can be required as soon as an employee returns to work or separates from work (whichever is sooner). **No documentation can be required for PHE leave.**
- **To document leave for an employee's (or an employee's family member's) health-related need**, an employee may provide: (1) a document from a health or social services provider *if* services were received and a document can be obtained in reasonable time and without added expense; *otherwise* (2) the employee's own writing.
- **Documentation as to domestic abuse, sexual assault, or criminal harassment** can be a document or writing under (1) above (e.g. legal or shelter services provider) or (2) above, or legal document (restraining order, police report, etc.).
- **If an employer reasonably deems an employee's documentation deficient**, the employer must: (A) notify the employee within seven days of either receiving the documentation or the employee's return to work or separation (whichever is sooner), and (B) give the employee at least seven days to cure the deficiency.
- **Incremental Use.** Depending on employer policy, employees can use leave in either hourly or six-minute increments.

This Poster summarizes two Colorado workplace public health laws: C.R.S. § 8-13.3-401 et seq., (paid leave), and C.R.S. § 8-14.4-101 et seq. (healthy and safety whistleblowing) including amendments current as of the date of this poster. It does not cover other health or safety laws, rules, and orders, including under the federal Occupational Safety and Health Act (OSHA), from the Colorado Department of Public Health and Environment (CDPHE), or from local public health agencies. Contact those agencies for such health and safety information.

*In a PHE, employees gain additional hours of leave for inability to work, testing, quarantining, caring for family in such situations, and related needs. No PHE is now in effect; this poster will be updated if one is declared.

This poster must be displayed where easily accessible to workers, shared with remote workers, provided in other languages as needed, and replaced with any annually updated versions.

This Poster is a summary and cannot be relied on as complete labor law information. For all rules, fact sheets, translations, questions, or complaints, contact:
